Updated version of EndNote is a completely independent installer that does not require a pre-installed version, although you will need a serial number... Read more TapinRadio Pro is a powerful radio program with a user-friendly interface that allows you to listen to a huge number of radio stations from around the world broadcast in MP3 format. The program has a function to search for songs by title or artist, as well as the ability to record to an mp3 file. There is also the possibility of creating groups of stations, assigning a custom icon for each group and starting on OSD or on a timer (supports the ability to record in stop mode). Supported ...
