

BOOST SALES WITH FIELD SALES & MARKETING SERVICES

1. FIELD SALES & MARKETING

Setting up a field sales strategy is never straightforward and involves multi-dimensional challenges linked to increasing dealer breadth, expanding channel, increasing merchant or dealer base, onboarding and monitoring promoters, managing field force real-time, fraud management and more.

2. DIGITAL MARKETING SERVICES

Transform visitors into leads with our audience-led and customer-focused approach. As a leading digital marketing agency, we provide a two-pronged approach i.e. understanding the existing business challenges and activating your brand with customers across all digital touch-points with personalized and targeted experiences.

3. TELESales SERVICES

Struck with siloed lead generation processes impacting your deal closures? Denave's integrated telesales engine enables businesses to source qualified leads, secure appointments and exceed sales targets.

4. RETAIL ACTIVATION

Denave's retail expertise from core to store lies in providing marketing solutions to augment footfalls, improve customer experience in stores, and equip in-store promoters with the right know-how to maximize the bottom line.
