

# Candle Light Dinner In Andaman

What could be more romantic than a [candlelight dinner](#) with your loved one on one of Asia's most beautiful beaches? Candles always emit positive energy. Dining with your partner while there are candles on the table can provide a warm pleasant feeling for both of you and can refresh your minds to speak out more. Give your significant other love, care, and, most importantly, time. Bring the inner soul back into love and strengthen the bond even more than before.

We at [Havelock Island Beach Resort](#) will walk you through a guide to the most romantic places in Andaman for your candlelight dinner. Set among a series of Havelock resorts, @ Lemon grass is the most amazing and one of the romantic Havelock resorts for couples planning a candlelight dinner.
