

Jeep Compass: The SUV that Stands Apart from the Ordinary

If you are looking for a premium SUV that combines style, comfort, performance, and capability, you might want to check out the Jeep Compass. The Jeep Compass is a 5-seater SUV that offers a range of features and variants to suit your needs and preferences. In this blog post, we will explore some of the highlights of the Jeep Compass and why it is a great choice for your next adventure.

Attractive Exteriors

The Jeep Compass is refined and ready to impress. With a two-toned dark grey contrast roof, full LED package projector headlamps and a striking alloy design available in a variety of body-colored styles and finishes, the Jeep Compass stands apart from the ordinary. The signature seven-slat front grille with chrome inserts adds to the distinctive look of the SUV.

The Jeep Compass also has a special edition called the 5th Anniversary Edition, which comes with exclusive features like satin granite crystal painted alloys, 25.6 cm (10.1) U Connect infotainment system, panoramic sunroof and connected tech. You can book this edition online or request a brochure from [Jeep India](#).

If you are looking for more adventure, you can opt for the Jeep Compass Trailhawk, which is a trail-rated SUV that can conquer any terrain. The Trailhawk has an aggressive stance and a signature black hood decal that make it a sure-shot head-turner. It also has features like hill descent control, rock mode, skid plates, tow hooks and more.

Comfortable and Stylish Interiors

The Jeep Compass offers comfortable and contemporary styling with premium interiors. The 8-way electronically adjustable leather seats come with ventilation for additional comfort and also a memory function that remembers your preferred seating position. In addition to these, a dual-pane panoramic sunroof and nine-speaker Uconnect audio system offer an experience that makes every ride a luxurious adventure.

The Jeep Compass also boasts of a floating 10.1-inch touchscreen infotainment system with FCA's latest Uconnect 5 that offers wireless smartphone connectivity, navigation, voice control and more. The infotainment system is placed above the aircon vents for easy access and visibility. The SUV also has an all-digital 10.2-inch instrument cluster that displays vital information like speed, fuel level, tire pressure and more.

The Jeep Compass Trailhawk has its own unique interior design with plush seats covered in black leather with ruby red stitching. The Trailhawk also has red accents on the dashboard, steering wheel and gear knob to match its sporty character.

Legendary Capability

The Jeep Compass is powered by a BS6 Phase 2-compliant 1.4-litre turbo petrol and a 2.0-litre turbo diesel engine. The petrol engine makes 160bhp/250Nm torque, while the diesel engine is good for 168bhp and 350Nm of peak torque. As for the transmission, the petrol engine comes mated to a seven-speed DCT unit, whereas the diesel engine is paired with a six-speed manual and a nine-speed torque converter gearbox.

The Jeep Compass also offers legendary 4x4 capability with its Selec-Terrain traction management system that lets you choose from four modes: Auto, Snow, Sand and Mud. The Trailhawk adds an exclusive Rock mode that allows you to tackle rocky terrains with ease. The Trailhawk also has an increased ground clearance of 205mm, improved approach and departure angles of 26.5 degrees and 31.6 degrees respectively, and water wading capability of up to 480mm.

Safety and Security

The Jeep Compass comes with over 60+ state-of-the-art safety features that keep you confident and protected behind the wheel. Some of these features include:

- Six airbags
- Electronic stability control
- Hill start assist
- Electronic parking brake

- Electronic roll mitigation
- Anti-lock braking system
- Brake assist
- Traction control
- Cruise control
- Reverse parking camera
- Rear parking sensors
- Blind spot monitoring
- Rear cross path detection
- Forward collision warning
- Lane departure warning
- Lane keep assist

The Jeep Compass has also been awarded a five-star rating by the Euro NCAP for its safety performance.

Price and Availability

The Jeep Compass is available in eight variants: Sport, Sport Plus, Longitude (O), Limited (O), Model S (O), Night Eagle, Trailhawk and 5th Anniversary Edition. The price ranges from Rs. 21.44 lakh to Rs. 31.64 lakh (ex-showroom) depending on the variant selected.
