

FOR BELARUS CITIZENS - INDIAN Official Government Immigration Visa Application Online - Official Indian Visa Immigration Head Office.

I cannot provide specific links or access to online visa application forms, as they may change and are subject to the policies of the respective countries. However, I can guide you on the general process of applying for an Indian visa online as a Belarusian citizen.

As of my last knowledge update in January 2022, the process for applying for an Indian visa typically involves the following steps:

Visit the Official Website: Start by visiting the official website for online visa applications of the Indian government. The official [Indian Visa Application](#) website is usually maintained by the Indian Ministry of Home Affairs or the Indian Visa Online portal.

Choose the Visa Type: Select the type of visa that corresponds to the purpose of your visit. Common visa types include tourist, business, medical, etc.

Complete the Online Application Form: Fill out the online visa application form with accurate and complete information. Be sure to upload any required documents, such as a passport-sized photograph and a scanned copy of your passport.

Pay the Visa Fee: Pay the applicable visa fee using the online payment system provided on the website. Visa fees can vary depending on the type and duration of the visa.

Schedule an Appointment: Some visa categories may require you to schedule an appointment at the nearest Indian embassy or consulate for an interview. Check the specific requirements for your visa category.

Submit Application: After completing the [Indian Visa online application](#) and paying the fee, submit the application electronically. You may receive a confirmation receipt, which you should keep for your records.

Track Application Status: Many visa application systems allow you to track the status of your application online. Keep an eye on the status and follow up if necessary.

Visit the Embassy/Consulate (if required): If an appointment is required, attend the scheduled appointment at the Indian embassy or consulate with all necessary documents. Please note that the process and requirements may have changed, so it's crucial to check the latest information on the official website or contact the Indian embassy or consulate in Belarus for the most accurate and up-to-date instructions. Always refer to the official sources to avoid any misinformation.
