

## About Ted Jiancheng Zhou

The entrepreneurial journey of Dr. Ted Jiancheng Zhou is nothing short of remarkable, with roots tracing back to Putian, Fujian province in China. Overseeing a conglomerate of 27 enterprises with an annual revenue of \$2.6 billion, Dr. Zhou's impact transcends boundaries, spanning diverse sectors such as management consulting, finance, education, healthcare, and real estate development. In 2013, he ventured into the Canadian market, introducing his innovative property development model through Evertrust Development Group, emphasizing the creation of communities characterized by happiness, health, and affordability.

As the Founder and President of Evertrust, Dr. [Ted Zhou Evertrust](#) is the driving force behind the company's success. With over 25 years of global experience, his pioneering vision of being a "Happy lifestyle provider" has shaped Evertrust's trajectory, driving its rapid growth and expansion.

Central to Evertrust's ethos is a steadfast commitment to social responsibility and customer satisfaction. Dr. Zhou's real estate projects prioritize the well-being and happiness of residents, integrating lifestyle amenities and fostering a sense of belonging within the communities they serve.
