

# Jeep Wrangler: A Guide to Its Variants

If you are looking for an iconic SUV that offers adventure, fun, performance and capability, you might want to consider the Jeep Wrangler. The Jeep Wrangler is a legendary off-roader that has a loyal fan base across the world. It comes in 2 variants with different features and prices<sup>1</sup>. Here is a brief overview of the variants and how they differ.

## Unlimited

The Unlimited is the base variant of the Jeep Wrangler. It comes with a 2.0-litre turbo-petrol engine with an automatic transmission<sup>1</sup>. It offers features like LED headlamps, 18-inch alloy wheels, dual airbags, ABS, EBD, traction control, hill start assist, hill descent control, rear parking sensors, 8.4-inch touchscreen infotainment system with Apple CarPlay and Android Auto, dual-zone climate control, push-button start, keyless entry, and more<sup>1</sup>. The ex-showroom price of the Unlimited variant is Rs. 59.05 lakh<sup>1</sup>.

## Rubicon

The Rubicon is the top-end variant of the Jeep Wrangler. It comes with the same engine option as the Unlimited variant but adds some more features like full LED package, 17-inch alloy wheels with all-terrain tyres, four airbags, electronic sway bar disconnect, front and rear locking differentials, rock rails, skid plates, tow hooks, and more<sup>2</sup>. It also offers a superior 4x4 system with a low-range transfer case and a crawl ratio of 77:1 for better off-road capability<sup>2</sup>. The ex-showroom price of the Rubicon variant is Rs. 63.05 lakh<sup>1</sup>.
