## Where Hospitality Meets Italian Excellence

---

### About Modalita

Founded in 2011, Modalita Italian Design Solutions has earned a reputation for excellence in bringing authentic Italian innovation, quality, and artistry to the North American hospitality industry. Headquartered in Brooklyn, New York, Modalita serves as a premier distributor and consultant for high-end foodservice equipment and custom design services sourced directly from Italy.

Our company was born out of a passion for refined culinary culture and a belief in the power of aesthetic design to transform hospitality experiences. Today, Modalita stands at the intersection of technology, art, and service—providing U.S. entrepreneurs with the tools and vision needed to succeed in competitive food and beverage markets.

# Our Mission

Modalita is more than a supplier—it is a creative and technical partner. Our mission is to share the excellence of 100% Italian-made design and equipment with American businesses, helping them elevate their environments while improving operational efficiency and customer satisfaction.

## Our Services

### ✓ Professional Equipment Supply

We represent some of Italy's most prestigious brands, ensuring access to the finest, most technologically advanced tools available. Our offerings include:

- **Bravo** – Gelato, pastry, and chocolate equipment
